- **STEP 2:** If you determine that your business plan is viable, then look for a location. Would you qualify for special incentives? For city permits, please visit [their websites](#).
- **STEP 3:** Name your business. Research websites and phonebooks for other businesses that may have a similar name to the one you are considering. Check the availability of your name on the **U.S. Patent website (800-786-9199)** to see if it has been trademarked. If you plan on incorporating, you'll need to file with the **Texas Secretary of State (512-463-5555)** to make sure that your name is not claimed already.
